InnovoCommerce LLC will exhibit at the Center for Business Intelligence “Inaugural Conference on Clinical Trial Investigator Portals Nov 2-3 in Philadelphia.

IRVINE, CA – Monday July 20 2009 – InnovoCommerce, LLC announced that it will exhibit at the Center for Business Intelligence ***Inaugural Conference on Clinical Trial Investigator Portals*** on November 2-3 in Philadelphia PA. This exciting new CBI conference focuses on solutions for portal implementation, integration between Clinical IT and Operations and maintaining regulatory compliance.

InnovoCommerce will demonstrate the company’s new Microsoft SharePoint-based clinical investigator site portal and secure document exchange solution. This solution leverages existing Microsoft investments and can be configured, deployed and validated in weeks rather than months. Any clinical sponsor and research organizations that are looking at strategies, processes and systems to improve sponsor and site collaboration and document exchange should consider registering for this event. For more event information see the link below:
